

Amendments to the Claims:

All amendments and cancellations to the claims are made without prejudice or disclaimer.  
This listing of claims replaces all prior versions and listings of claims in the application:

Listing of Claims:

1. (currently amended) A method of treating a wrinkle or reducing fine wrinkle formation in a subject in need of treatment for fine wrinkles, said method comprising administering to the subject a composition comprising L-NAME in an amount sufficient to treat or reduce said wrinkle.
2. (original) The method of claim 1, wherein the wrinkle is caused by exposure to UVB radiation.
3. (canceled)
4. (previously presented ) The method of claim 1, wherein L-NAME is administered topically.
5. (previously presented ) The method of claim 1, wherein L-NAME is provided in a sterile composition.
6. (canceled)
7. (currently amended) A method of reducing a wrinkle in a subject, said method comprising:  
identifying a subject in need of fine wrinkle reduction;  
administering a L-NAME compound to the subject; and

evaluating the effect of the administration on the fine wrinkle.

8. (original) The method of claim 7, wherein the wrinkle is caused by exposure to UVB radiation.

9. (canceled)

10. (previously presented ) The method of claim 7, wherein L-NAME is administered topically.

11. (previously presented ) The method of claim 7, wherein L-NAME is provided in a sterile composition.

12.-17. (canceled)

18. (currently amended ) A method of providing fine wrinkle protection to a subject in need of wrinkle protection, said method comprising:

supplying to the subject a composition comprising L-NAME;

supplying to the subject instructions for using said composition to reduce fine wrinkles.

19-20. (canceled)

21. (original) The method of claim 18, wherein said instructions comprise directions to apply the composition to the skin prior to sun exposure.

22. (original) The method of claim 18, wherein the composition further comprises a cosmetic ingredient.
